Story of the future

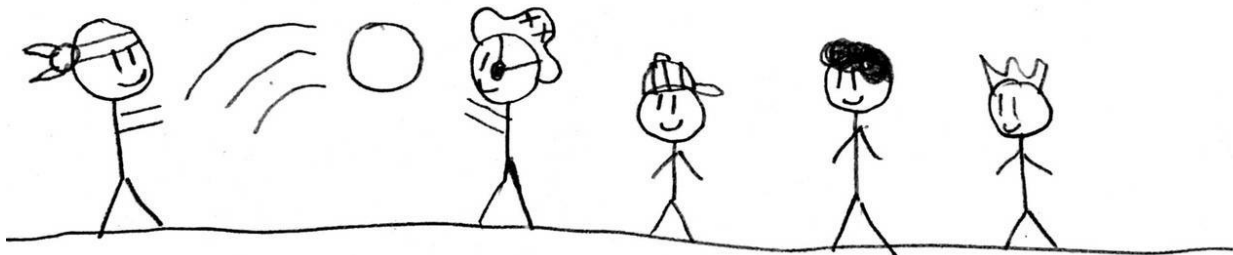

Written and illustrated by Elyas Jaber

Once upon a time there was a little stick man named
“ Maxy “ and he had some friends .

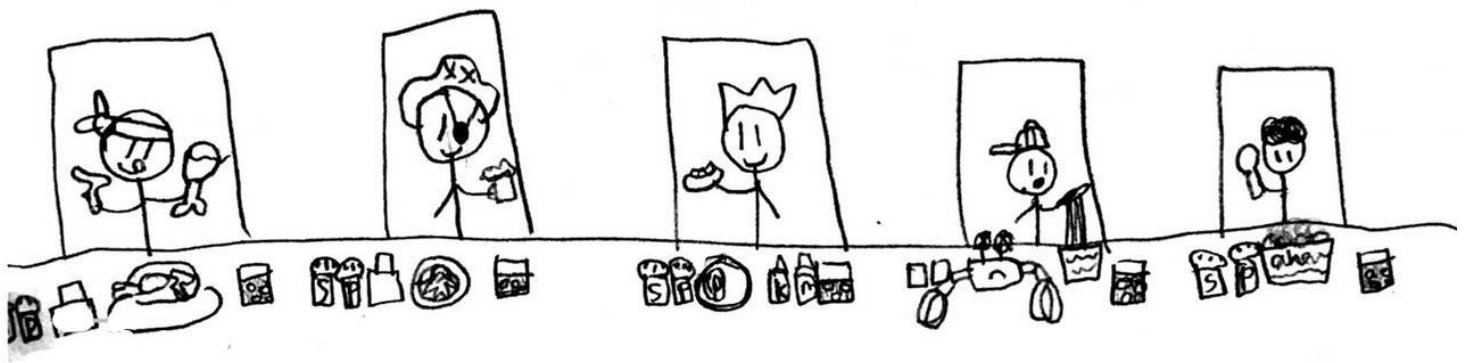

They are boaty, shady , curly and bally

They were playing with a ball.

After that, they went to have lunch.

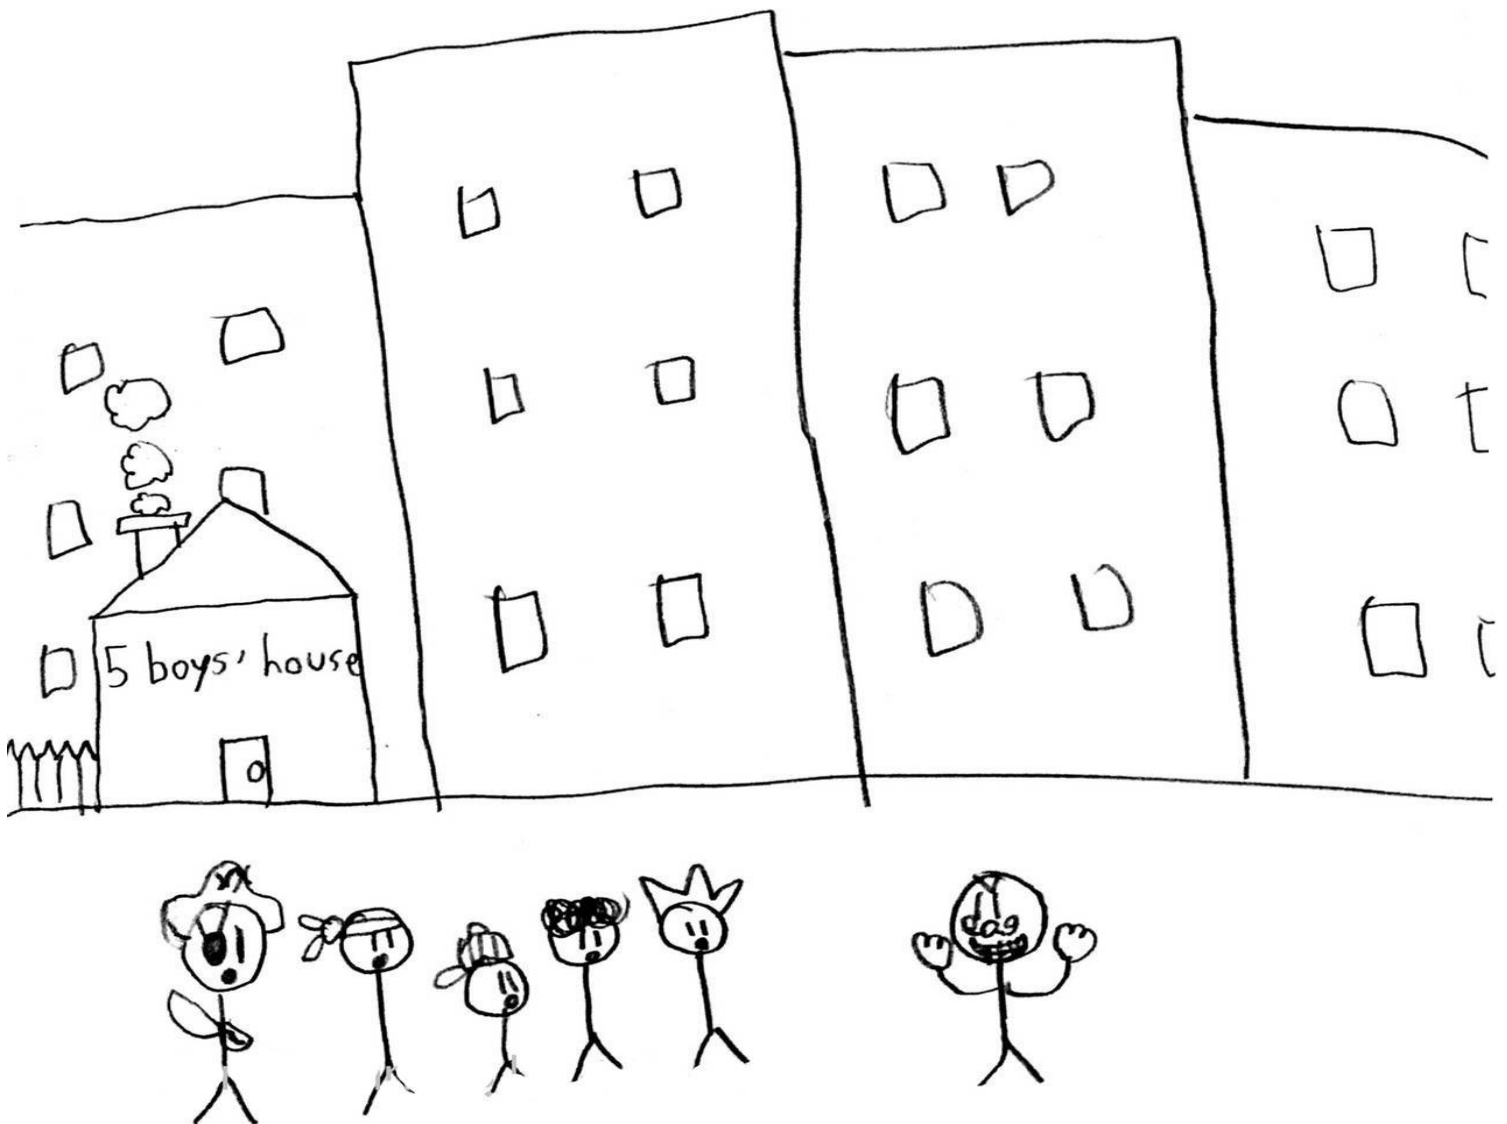

At the dinner table there were the boys' favourite food. Bally's favourite food is chicken. Boaty loves Boston tea, and fried squid. Shady likes fresh noodles and Juicy crabs. Curly likes cheesy macaroni. Finally, Maxy loves BBQ.

Then they heard a “**crash**” outside the city.

The boys went outside and saw a stealy bad guy named “**Jimmy Robby** “. He was gonna chase them .

Jimmy Robby said “Im gonna catch you 5 boys (ha ha ha ha ha ha !!!! .”

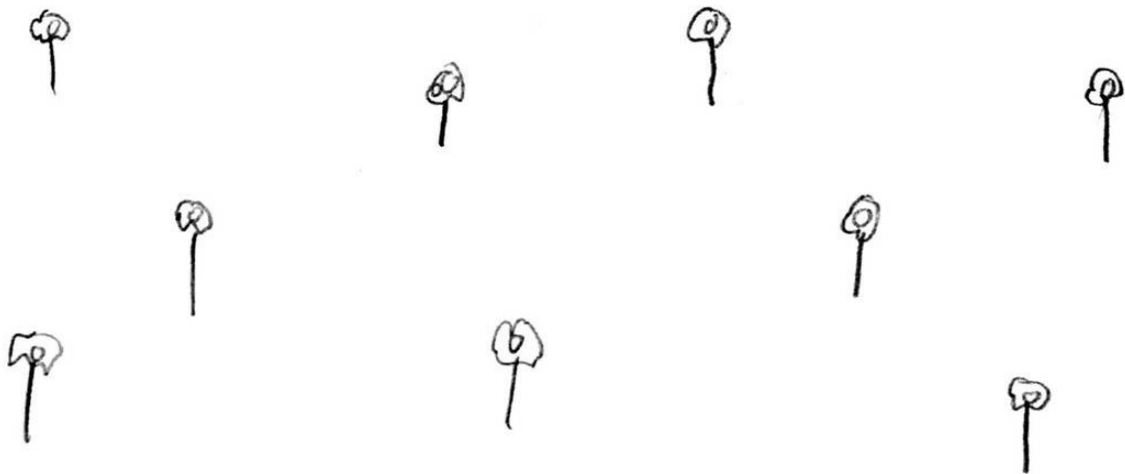

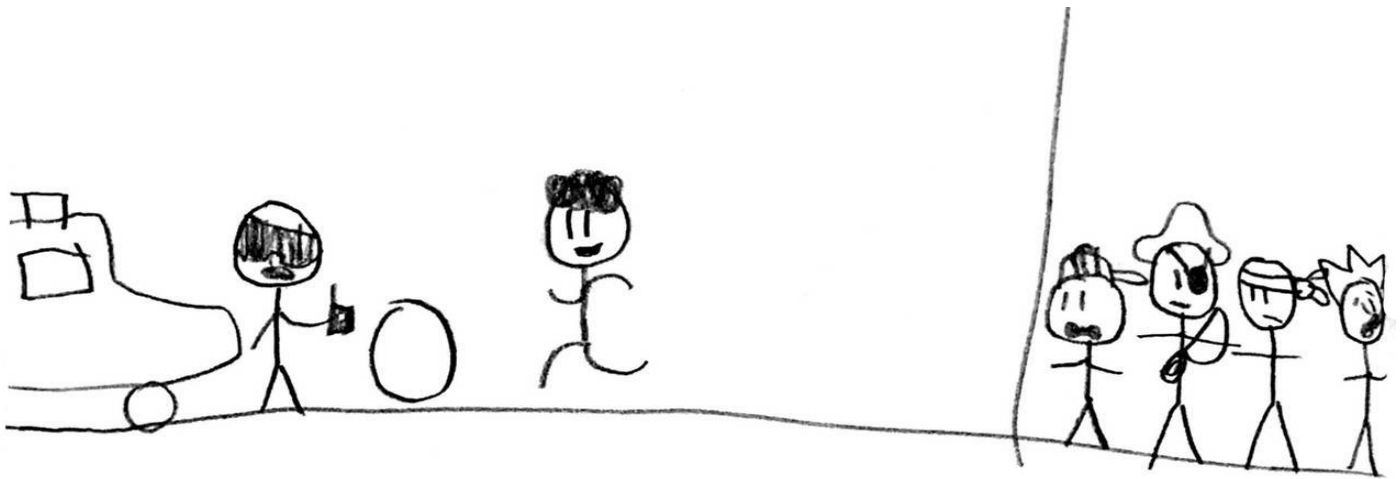

**The boys were trying to run but the bad guy was faster.
Curly found an opening and had an idea.**

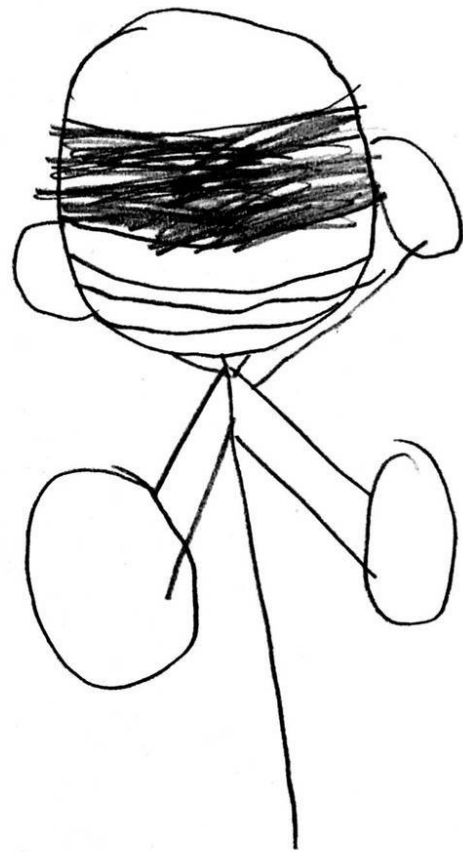

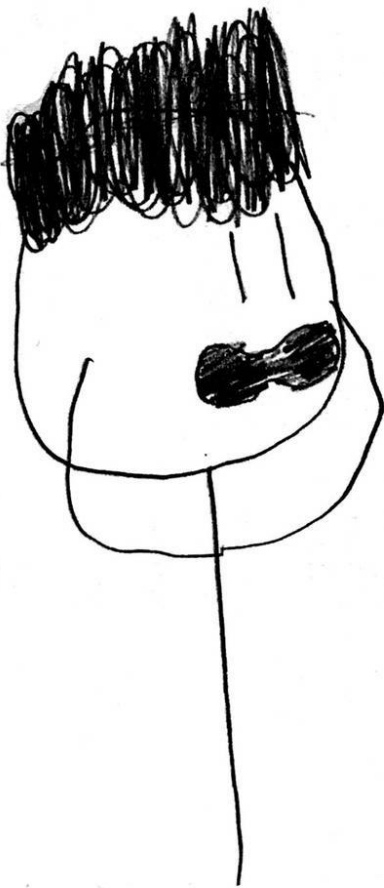

Behind the city there was grass with flowers. As the others hid.

Curly went to a police man named " Officer Gummy " and told him to help.

The bad guy is getting close and officer gummy is still spinning !!

He spinned and spinned until

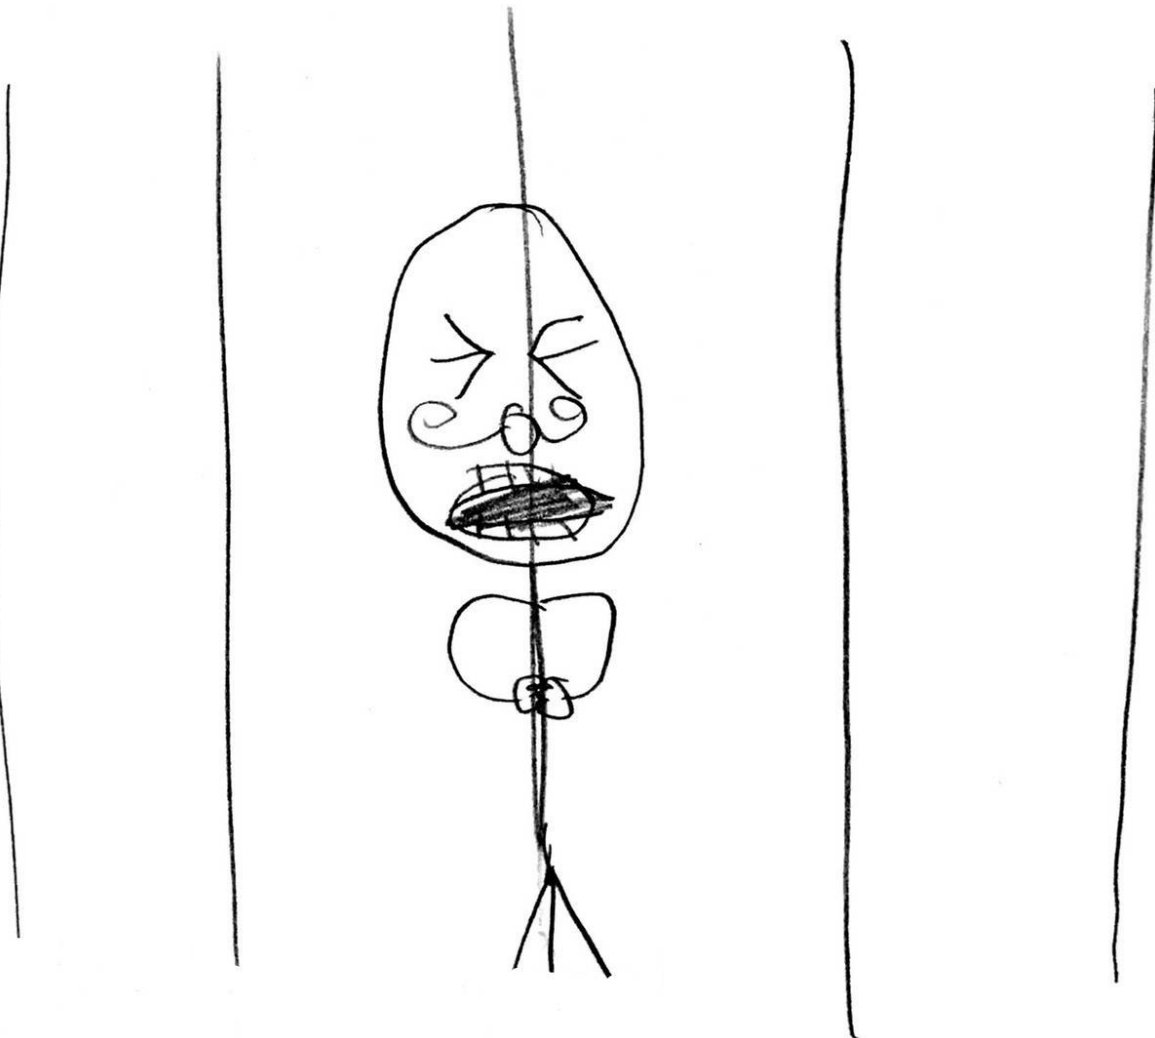

.....he threw the bad guy back to the city prison!!!

At the prison the bad guy was complaining.

“how did I come back here!?” he said.

when it was 2:00 pm he shouted “ I’ll get you boys next time!!”

The next day, Maxy watched some local news about yesterday .

He saw that the bad guy failed escaping and said:

“we are a great team !!”
